Dear Steve:

It is that time again. Our club is again planning to hold as a community benefit, the Spring Egg Hunt activity put on annually by the Rotary Club of Lafayette.

This is to confirm that the Rotary Club of Lafayette is requesting permission from the City of Lafayette to put on a Spring Egg Hunt at City Center Park, Mt. Diablo Blvd. and Moraga Road on April 11, 2009 from 9:45am to 11:00am, including the setup and cleanup time. The actual egg hunt(s) will be between 10:00 AM and 10:45AM.

Please respond to me at 925-746-6666. Thank you for your attention to this matter.

Very truly yours,

Donald Anderson,
Community Services Director
